

# AUS – ION™

seamless one-piece Australian iron commercial pans

## MADE IN AUSTRALIA

Better designed than the best French pans!

- **Hygienic:** seamless one piece iron eliminates rivets (well known among chefs for trapping food...and steel wool)
- **Durable:** no rivets, joints or coatings – multi-generation durability
- **Healthy:** seasoned iron is all-natural nonstick, with no heat limits
- **Hot pan:** thick Aussie iron: even heating on any source
- **Cool handle:** strong neck webbing and vents to dissipate heat
- **Comfort, control, less fatigue:** ergonomic wide concave handle
- **Value:** similar price to the famous French brands. Outlasts hundreds of synthetic-coated pans. Buy cookware once only!
- **Multi-century warranty for materials and manufacturing defects**
