### MASON JAR VACUUM LIDS

Pump Fresh lids seal in the freshness, and extend the life of your fresh juice, smoothies, dry goods, or preserves. Now you can juice or blend once per week and have fresh tasting juices and smoothies that have not been exposed to oxidation which causes a loss of valuable nutrients and antioxidants. Seal in the freshness of everything from guacamole, sauces, salsas, and more!

- Compatible with all standard size mason jars
- Pop-up vacuum stopper with straw port
- Includes 2 lids, 1 hand pump, 1 straw (mason jar not included)
- Dishwasher safe
- Patent pending vacuum system
- Additional lids sold separately
