DESIGN • STYLE • CONTEMPORARY • COSMOPOLITAN

fresh thinking is what we are all about.
some time ago, we recognized that today's home chef needs and demands refreshing new ideas
and products for their kitchen; innovative, vogue, health conscious, and value priced without compromise to quality.
this is the foundation of our every effort...

our dedicated staff travels the globe extensively, conducting market research and monitoring leading trends in today's home to
develop products for the most discriminating buyer.

our research & development team maintains close and constant monitoring on the pulse of technological advances in materials,
mechanisms and product requirements.

mcewan

Fresco International has teamed up with renowned Chef Mark McEwan in launching an array of new kitchenware with quality and value at its core.
Each component complements the lifestyle of those seeking durability, practicality, design and a sense of style. It is with tremendous enthusiasm that we
introduce "Mark McEwan by fresco."

It is the new benchmark of desirable consumer driven kitchen items, by which others will be measured.
The collection of products includes practical and stylish cookware, with "gotta have" kitchen gadgets.

THE HEAT

" More than 30 years of culinary experience summed up in a few words... Always use the finest ingredients available, and as importantly, the right tools. For best results, specific foods require specific cookware. This assortment of professional cookware has been designed and assembled to be the perfect complement for your gastronomic creations."

MORTAR & PESTLE

FMP-107
MORTAR & PESTLE

- Infuse new appetizing blends of fresh or dried spices and herbs into your favourite recipes
- Premium quality granite mortar is heavy, well balanced and suitable for rigorous pounding and grinding
- Granite's non-porous quality allows for extracting the oils from herbs and spices without these oils being absorbed into the stone
- Polished granite exterior is easy to clean

A NEW BREW

GOLDTONE FILTERS

Eliminate the need for paper filters with Fresco's Goldtone Permanent Coffee Filters. This filter collection is durable and long lasting. Made with stainless steel, these gold mesh filters are reusable and feature handles for easy removal and clean disposal. These filters are also dishwasher safe.

TITANIUM FILTERS

Titanium, better taste, better flavour, better coffee and tea. Enjoy fresh, natural tasting coffee and tea with Fresco's Titanium Coffee & Tea filters. Titanium promotes natural tasting tea or coffee, allowing the coffee or tea to pass through the filter without any flavour transfer. The reusable filter also helps eliminate waste, reducing your carbon footprint.

TITANIUM

TITANIUM IS:

- best inert metal for natural tasting coffee
- anti-allergenic
- antimicrobial, naturally inhibits growth of microorganisms and bacteria
- non Corrosive Metal
- excellent conductor of heat to maintain the optimum drinking temperature of coffee
- lightweight, durable, universal design

FRESCO TITANIUM FILTERS ARE:

- reusable titanium mesh filters
- flavour enhancing
- long lasting
- handle for easy removal
- easy to clean and dishwasher safe

- ① The ball shaped design allows for use in standard pots or individual pots
- ② Designed to fit the individual cup of tea or small capacity tea pots
- ③ Designed to fit most standard tea pots
- ④ Fits most 10-12 cup coffee makers that use cone shaped filters
- ⑤ Fits most 10-12 cup coffee makers that use flat bottom filters
